Allison,

I attached the wrong summary of changes to the last email. I have reattached all relevant documents and the correct summary of changes to this email. Summary of changes document replaces the permit changes document in the previous email.

Subject: Request for USEPA NPDES Review

Allison,

I am submitting formal request for step down review. Attached is proposed general permit GMG290000. I have also attached the fact sheet as well as a list of changes with effects and the other associated permit documents (Essential Fish Habitat and Ocean Discharge Criteria Evaluation). Please let me know if you need anything else.

Thanks,
